

# Questionnaire to KTH Live-In Lab tenants

This survey explores space utilization and window actuation, examining how different rooms are used and how often windows are opened. The aim is to assess occupants' perceptions of indoor environmental quality, focusing on thermal comfort and air quality in different rooms.

Please consider a typical winter month (October to March) when answering this survey, excluding holiday periods like Christmas or other vacations.

Thank you for participating :)

\* Indicates required question

## Use of space at home

1. How often are you at home? \*

*Mark only one oval.*

- ☐ 1-3 days a week
- ☐ 4-6 days a week
- ☐ Every day
- ☐ A few days a month
- ☐ Other: \_\_\_\_\_

2. When you are at home, which room do you use the most during the day (6:00 to 22:00)? \*

*Mark only one oval.*

- ☐ Kitchen
- ☐ Bedroom
- ☐ Living room
- ☐ Other: \_\_\_\_\_

3. Do you usually keep your bedroom door open? \*

*Mark only one oval.*

☐ Yes

☐ No

### **Windows actuation in your bedroom**

4. On average, how many times do you open the windows in your bedroom per day? \*

*Mark only one oval.*

☐ Never

☐ 1-2 times

☐ 3-5 times

☐ 6-10 times

☐ More than 10 times

☐ Always

5. When you open the window, how much do you typically open it? \*

*Mark only one oval.*

☐ Fully (completely open)

☐ Halfway

☐ Partially (tilted, slightly ajar, or 10% opening)

6. At what time of day do you typically open your windows? (select all that apply) \*

*Check all that apply.*

☐ Morning (6:00 to 13:00)

☐ Afternoon/Evening (13:00 to 22:00)

☐ Night (22:00 to 06:00)

7. How long do you typically keep the window(s) open? \*

*Mark only one oval.*

- ☐ Less than a minute
- ☐ Between 1 and 5 minutes
- ☐ Between 5 and 20 minutes
- ☐ More than 20 minutes
- ☐ Other: \_\_\_\_\_

8. Do you have specific reasons for opening the window during the colder months (October to March)? \*

*Mark only one oval.*

- ☐ Poor ventilation
- ☐ Too high indoor temperatures
- ☐ Habit
- ☐ Other: \_\_\_\_\_

The survey is now finished :)

Do you have any additional comments or observations about indoor comfort, air quality, or ventilation? Feel free to share any thoughts or experiences in the next paragraph.

Otherwise, we thank you for your time!

9. Additional comments & Feedback
